Dear Parents

Welcome back everyone to Term 2. I do hope your holidays were relaxing and you all took some time out to enjoy your families.

School Photos
We are again going to have Amy Shelton take our school photos this year. Amy will be coming later this term and I will advise of an exact date shortly.

ANZAC Day
Cloyna State School would like to invite the wider community to attend our ANZAC Day service. It is being held at 9am on Wednesday 24 April at the school ANZAC Memorial.

The ANZAC parade will be held in Murgon at 10.00am on Thursday 25 April. All students are asked to march in full school uniform. Please meet at the RSL car park at 9.30am.

Cross Country and Ball Games
Friday 3 May is the Barambah Small Schools day. Families are asked to send along biscuits, slices and cakes to sell on this day. Please note we will not be selling lunches so all students do need to bring lunch. Drinks, icy cups, tea and coffee and morning tea will be on sale.

Mother’s Day
We will be holding a Mother’s Day stall at the school on Friday 10 May. Any donations for the stall are greatly appreciated. Encourage your children to do some helpful things around the home to earn some money to spend on Mum or Grandma or a special friend.

Personal Best

Every morning the students say the school promise and as part of this promise we say ‘we will do our best’. To achieve our personal best it is important that those decisions and choices we make are our ‘best’. The following attributes will help us to achieve our personal best:-

• Think positively
• Work hard
• Challenge ourselves
• Set goals
• Plan to achieve our goals

We all have a responsibility to be the best that we can be in our personal relationships, academic, sporting, musical and artistic endeavours.

Have a great week

The Woolworths Earn & Learn program is back!

This community program enables schools and early learning centres throughout Australia to earn educational resources simply through the school community shopping at Woolworths.

We have included your Earn & Learn sticker sheet, so start collecting your stickers from Woolworths. When you have completed your sheet, return to the school office and we will have another sheet for you to complete.

School Banking—Commonwealth Bank

We encourage your child/children to be involved in weekly school banking. Prizes are given to students after they have banked 4 times. This Term the Commonwealth Bank have further incentives for your child to save money through School Banking—we will be sending home further information this term. Information/application packages are available from the school if you would like to register your child/children for school banking.

Win the Dollarmites’ treasure.

Thousands of dollars worth of prizes to be won in Term 2 of School Banking.

We’ve got great news. The Dollarmites have found treasure on Savings Adventure Island and they want to share it with you, your students and your school. Your school can win $5,000!

All your students need to do is make three or more deposits through your school during Term 2 and they’re automatically entered into the competition. Each student that enters, gives both you and your school a greater chance of winning, so make sure you get them saving!
Boys’ Garden

In Term One Joe, Jack B and Jack W have been making a vegetable garden. We have planted peas, strawberries and broccoli. We weeded the garden and put a fence in. We made a path through the middle and put wooden planks around this garden. We have been watering the garden. The plants have sprouted. We water them nearly every day.

We had to weed the garden, then we put wood around the outside. We put star pickets in the garden, then we tied up some rope. My friends and I planted some plants in the boys garden. The boys’ garden has lots of plants and a plank of wood in the middle of the garden.

Over the last couple of weeks, my friends and I have made a veggie garden behind the upper classroom. While we were making it we had to put wood around the border. We’ve planted mint, tomatoes, strawberries, broad beans and broccoli. And we’re going to put a fence around it with star pickets and bailing twine. Now all we have to do is water it every day.

In Term One we have been learning about Japanese fashion. First we had to study about colours, then we had to learn about the Japanese verbs. After that we learnt how to write in Japanese. When we had to do the fashion parade we got to choose a song each. I was with Ashlee and Joe. It was really fun.

In Japanese on every Tuesday we were doing fashion as our subject last term. We had to rehearse going down the runway which was not that bad. We also had to practice saying our speech so we could get them right on the day. There were some pretty hard words but I managed to pronounce them. Then when the day came, we had to practice and practice. We got our partners, mine were Joe and Georgina. Joe spoke for me, I spoke for Georgina and Georgina spoke for Joe. Then we started and all of the little kids came and watched as well. Holly went first, then Jorja, Jack, Jesse, then me, Joe and then Georgina. Then we finished and everyone thought it was so embarrassing but I did not so much. After we went and took photos of everyone in their costumes.

In this Term at Japanese we have been learning about fashion and today we did a fashion parade. It was fun but it was embarrassing too, but I enjoyed it. My partner Jorja spoke while I walked down the runway and then I spoke for her and she walked down the runway. When we were finished we took a few pictures and some of them are going to the newsletter for tomorrow - it is very exciting.

In Term 1 we have been learning to do a fashion parade. We had to make a speech for the fashion parade. Then we took some clothes to school for the project. We put the clothes on for walking down the runway. Holly told everyone what I was wearing then I spoke in Japanese about what Holly was wearing. It was fun.
